**I LOVED MY BIRTHDAY CARDS!!** What an awesome surprise to get all the cards & be able to sit down & have a little visit with everyone. It made my day so special.

My first real day out of the house - we had a long day! Had a meeting with Mary & then ran to the grocery store - got home exhausted! So while my roommate, Kenna, unpacked; I sat on my throne & read her all the cards.

I have kept them all & plan on revisiting next time I am having “a moment”! Please pass on my gratitude for the love & prayers from everyone. It was like having all you here for a moment. Much love, Lee
